

Canoe rental in Poland

Canoe rental in Poland – relaxed family paddling on lakes and calm rivers

Would you like to **rent a canoe in Poland** and are you looking for a safe, comfortable boat for a relaxed trip with your family, partner or friends? At **eKajaki.pl**, you will find robust and proven boats for **peaceful paddling trips in nature** – ideal for beginners, families and anyone who wants to discover Poland from the water.

Our **HDPE polyethylene canoes** offer plenty of space, high stability and comfortable paddling on **lakes, canals and calm rivers**. If you are not looking for a sporty challenge but rather a relaxed outdoor experience with plenty of comfort, a canoe is the perfect choice.

Why rent a canoe from eKajaki.pl?

- **very high stability** – ideal for beginners and families,
- plenty of space for **2–3 people and luggage**,
- comfortable on **day trips and weekend outings**,
- perfect for **lakes, calm rivers and relaxed canoe touring**,
- easy entry and exit thanks to the open design,
- ideal for **nature holidays, family time and easy-going paddling**.

RTM Riviera 464 canoe – comfortable, stable and family-friendly

The **RTM Riviera 464** is a classic **3-person canoe** designed for relaxed and safe paddling. This model is especially well suited to **families with children, beginners and holidaymakers** looking for a

stable boat with plenty of space and easy handling.

Thanks to its wide hull, this canoe gives you a very secure feeling on the water. It sits calmly, is easy to control and offers exactly the comfort you want on a relaxed trip.

The open interior makes the boat especially practical: bags, picnic gear, clothing, a beach bag or equipment for a full day can all be stored with ease. That is exactly why the RTM Riviera 464 is such a good choice for **peaceful family paddling trips and leisure canoeing in Poland.**

Key advantages of the RTM Riviera 464:

- very **stable and safe**,
- ideal for **2-3 people**, including a child,
- plenty of space for **luggage and equipment**,
- comfortable benches for relaxed paddling,
- open design makes loading easier,
- perfect for **lakes, canals and calm rivers**,
- durable construction for intensive use.

Technical specifications:

- length: **464 cm**
- width: **90 cm**
- depth: **37 cm**
- weight: **43 kg**
- maximum load capacity: **295 kg**
- material: **HDPE polyethylene**

Who is this canoe the right choice for?

The **RTM Riviera 464** is especially recommended for:

- families with a child,
- couples looking for relaxed paddling,
- beginners with little or no paddling experience,
- tourists who want to explore Poland in an active and nature-focused way,
- anyone looking for a **safe and comfortable boat**.

If comfort, space and stability matter more to you than sporty speed, this canoe is exactly the right choice.

How does canoe rental work at eKajaki.pl?

- you choose the date that suits your trip,
- we help you select the right route,
- you receive a safe and ready-to-go boat,
- you enjoy a relaxed paddling trip in nature.

If this is your first time paddling in Poland or you are unsure which route to choose, we will gladly recommend an option suitable for families, beginners or calm day trips.

Canoe holidays in Poland – nature, peace and time together

Poland is an excellent destination for anyone looking for an **active holiday close to nature**. Calm rivers, beautiful lakes, lots of greenery and very little rush make canoe trips here especially enjoyable. A canoe is ideal for this because it offers plenty of space, high stability and a relaxed feel on the water.

Especially for guests from abroad, this is a wonderful way to **discover a new region from the water** – without complicated planning and without any sporting pressure. Just get in, start paddling and enjoy nature.

Frequently asked questions about canoe rental in Poland
